Dear Dr. Vernon:

I wanted to let you know how pleased I am with the CEREC restorations you recommended and performed. They look great, feel great, and I was in and out in about an hour for each one. The fact that the restorations are a permanent and convenient fix to dental problems is both comforting and innovative. Jenny is truly a professional at preparing these to fit perfectly in no time at all. You both work extremely well together as a team.

I would also like to compliment your entire staff on their consistent professional courtesy. They give each and every patient personal attention, are friendly, knowledgeable, and create a comfortable and welcoming atmosphere. They are truly an asset to your practice and reflect highly on you personally and professionally.

Please feel free to have anyone considering this treatment contact me as I would be glad to explain how quick, easy, and painless this procedure is.

Best regards,

SOUTHPARK MALL
